Topic of Discussion

Please describe in 3 sentences or less:

Rising Above is in the process of a capital campaign to expand our residential addiction treatment facility in Grande Prairie and we have a capital request for the City of Grande Prairie. The attached document will explain the capital project. We will be asking the City of Grande Prairie for \$333,000.00 and we will be asking the same amount from the County of Grande Prairie and the MD of Greenview for a combined total of \$1 million dollars from our municipal governments to help fund the project.

What change would you like to see as a result of this meeting?

We would like to see the City of Grande Prairie support Rising Above by providing capital dollars to help fund the new building.
