Please describe your topic in three sentences or less:

The Mission Heights Neighbourhood Association would like to follow up from the last City Council meeting held on October 3 regarding our recreational area being naturalized. We were told it would be discussed at the Operational Services Standing Committee, and then brought back to City Council on October 16th, for a final decision. We were advised to be very specific about which areas we want mowed - so we have brought pictures of the areas.

What outcome would you like to see as a result of this meeting?

We would like the City to reinstate mowing on the Mission Heights Toboggan Hill & Ravine, as per the last 30 previous years.
